What have I recommended and why?

I have recommended the following mortgage:

Lender	Initial interest rate, type & period	Repayment method	Mortgage amount (including any added fees)	Mortgage term	Monthly repayment
Bath Building Society	5.00% Discount until 11/05/2026	Part And Part	£2,134.00	2 years and 2 months	£23.00

Your property can be repossessed if you do not keep up your payments.

What features were recommended and why?

The main features of the mortgage and the reasons for my recommendation are explained in the table below.

Feature	Recommendation	What does this mean?	Why was this recommended to you?
Lender	Bath Building Society	This is the lender who will provide your mortgage.	I have recommended Bath Building Society because asf sdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikj

Feature	Recommendation	What does this mean?	Why was this recommended to you?
Interest Rate Type	Discount	Your payments will not change during the initial period.	You wanted the certainty of knowing exactly what your monthly payments will be because asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikj
Initial interest rate / deal period	The recommended deal period will apply until 11/05/2026	At the end of the initial deal period the interest rate will change to the lender's standard variable rate (SVR). We have given you an example of their current standard variable rate in your mortgage illustration, please note this may differ to the standard variable rate when your deal expires, therefore the cost after expiry could be higher. We recommend you start to review your mortgage deal 6 months in advance of the end date.	We discussed that lenders offer different deals for varying lengths of time and reviewed the options that are available to you. We also discussed your personal circumstances and the future goals & plans that are important in advising what is the most suitable deal period for you. I recommend a period of 5+ Years because asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjasdasdasdasdasdasdasdasddasdasdasdasdsd

Feature	Recommendati on	What does this mean?	Why was this recommended to you?
Repayment Method	Part And Part		asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjsdfsdfsdfsdfsdfsdfsf
Mortgage Amount	2134	This is the total amount borrowed. If fees have been added to the mortgage, they are included within this figure.	The mortgage amount is less than what you currently have outstanding on your mortgage, this is because you are making an overpayment of N/A.
Arrangement Fee	333.00	Your mortgage may have fees and charges payable. Please refer to the mortgage illustration for full details.	You have chosen to add the arrangement fee to your mortgage. This will mean you incur interest on this amount for the duration of the mortgage. The mortgage illustration I have provided contains further details.
Mortgage Term	2 years and 2 months	This is the term over which you will repay back your mortgage.	The term has been recommended because asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjasdasdasdasdasdasdas

Feature	Recommendation	What does this mean?	Why was this recommended to you?
Early Repayment Charges		Charges will apply if you choose to repay all or part of your mortgage before the end of the initial deal period. Please see your mortgage illustration for details of any overpayment allowance. The Maximum Early Repayment Charge that could apply is 333	You have no intention of moving or repaying the mortgage in part or in full during the initial deal period, so are happy to accept that the product has early repayment charges, to secure the deal.
Portability	Your mortgage is not portable	If you move home, you will not be able to transfer the mortgage to a new property, you will need to repay it	I recommended a mortgage which is portable because as fsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjasdasdasdasdasdasdasasd

The recommended lender offers the opportunity for you to switch to a lower, like-for-like mortgage deal, should one become available prior to the completion. However, the lender will not contact you to tell you if their rates reduce. We will notify you if we identify that a reduced rate is available. We do not guarantee to identify every change in interest rates. It is important, therefore, that you also check the lenders rates periodically between now and the mortgage completion date. Please note that the timing of your completion date may mean there is a final date when changes to the rate can be made.

What else do you need to know?

The following section contains important additional information about the recommendations I have made. Where relevant, it also explains potential risks of the mortgage.

Is there anything else you need to think about?

Protection

Your mortgage is a large financial commitment, please consider how you would be able to manage your mortgage payments if you were no longer able to work due to accident / illness / injury, or the impact of if you were to suffer a critical illness or die during the 2 years and 2 Months mortgage term.

I am not recommending you take out any new protection policies because asdasdasdasdas

Lasting Power of Attorney (LPOA)

A Lasting Power of Attorney, registered with the appropriate authority, means somebody else can act for you, if you can't act for yourself. If you own a property and have a Lasting Power of Attorney in place I recommend you seek independent legal advice.

Buildings Insurance

It is a condition of the mortgage that you have appropriate and adequate buildings insurance in place. Where you are purchasing a home, the policy should be put in place at exchange of contracts. A copy of the insurance certificate will be required by your solicitor.

We discussed your building insurance requirements.

It is important we discuss your home insurance before exchange of contracts, please confirm when you are available to do so.

Wills

Owning a property impacts your overall financial wealth and your wishes for the property upon death should be detailed in a legal will. If you don't have a will, I recommend you speak to a solicitor to create one and keep it updated on a regular basis.

Debt Consolidation

During our discussions, we reviewed your existing unsecured debts. Based on the information you provided, the total outstanding balance is currently 232.00

These figures were obtained directly by you from the credit provider(s). I have relied on these figures and current mortgage interest rates to formulate my advice.

You explained that these debts arose because asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjfsdfsdfsdf

You told me your goal is to asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjsdfsdf

For this reason, you asked us to explore consolidating these debts into your mortgage.

Alternative forms of finance were considered but not appropriate because asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjsdfsfsdf

Important Considerations

Consolidating debts into your mortgage can reduce monthly payments. However, it is important to understand that:

• You may repay more interest overall because the debt is repaid over a longer period.

• Previously unsecured debts will become secured against your home.

• Your property may be repossessed if you do not maintain mortgage repayments. This risk does not apply to unsecured borrowing such as credit cards or personal loans.

I have explained these risks and disadvantages to you in full. Despite these considerations, you confirmed that you wish to proceed with consolidation because asfsdfsdfsdfsdfsdfnsdjhfbsdjkfbnsdjkbnfsdjkfsdjkfsdjkfhsdjkfhsdjkfhsdkfhsdjkfhsdjkfhsdjkfhsdjkfhsdjkfhjksdfhjksdfhjksdhfjkbcnfjksdfjksfbnsdjkfbhjksdbhfjksdfbnsdmnfbnsdjkfbnhsdjkfbhsdjkfbnsdm,fbnsdjkfsdjkfjksdfbsdjkfbsdjkfbnsdjkfbsdjkfbnsjkdhwukhalkdfnhasjfhjukasdfhasjlkdfnhaslkfnhasjlkfbhajkldhasjlkdhaslkfjalksdbhasjlkdhaslkfhlkahdasjlkdfnajlksfhasjlkdhaslikjSDxvxcfhdffsdfsdfgsdf

Debt Summary and Recommendation

A summary of the debts you wish to consolidate is shown in the table below.

Lender & type	Balance / settlement figure	Current monthly repayment	Estimated cost of adding it to the mortgage	Has adding the debt been recommended	Reason
Credit Card Raptor tech	£855.00 Settlement: £58.00	£55.00	2223	Yes	asfsdfsdfsdfsdf sdfnsdjhfbsdjkf bnsdjkbnfsdjkfs djkfsdjkfhsdjkfh sdjkfhsdkfhsdjk fhsdjkfhsdjkfhs djkfhsdjkfhjksdf hjksdfhjksdhfjk bcnfjksdfjksfbn sdjkfbhjksdbhfj ksdfbnsdmnfbn sdjkfbnhsdjkfbh sdjkfbnsdm,fbn sdjkfsdjkfjksdfb sdjkfbsdjkfbnsd jkfbsdjkfbnsjkd hwukhalkdfnha sjfhjukasdfhasjl kdfnhaslkfnhasj lkfbhajkldhasjlk dhaslkfjalksdbh asjlkdhaslkfhlk ahdasjlkdfnajlk sfhasjlkdhaslikj sfsd

This assessment also illustrates whether adding each debt to the mortgage increases or reduces the total cost of repayment compared with your current arrangements.

Overall, adding these debts to your mortgage is estimated to cost Less than continuing with the current arrangements.

If credit is regularly being used to meet essential household expenditure, this can indicate financial difficulty. Debt consolidation may not be the solution to this and puts your home at greater risk. It is important that you are comfortable the new mortgage payments will remain affordable both now and in the future.

Should you wish, I can provide information about independent debt advice charities and organisations that can assist with budgeting or alternative forms of debt management support. Please let me know if you would like this information.

Lending into retirement

We agreed that this mortgage should be taken out over 2 years and 2 Months. This was to ensure your payments are within the budget you provided following our analysis of your income and expenditure and therefore are affordable to you.

The consequence of this is that the mortgage term extends beyond your intended retirement age, which carries certain risks.

It is not usually our recommendation to arrange a mortgage that goes into retirement. However, given the importance of ensuring that your monthly repayments are affordable now, you have confirmed that you are comfortable funding the payments in the later years using income intended for retirement purposes.

Where pension statements not required by lender: It was not a requirement of your lender to provide pension statements, as you are more than x years away from retirement. Therefore, they were satisfied that you are making pension contributions. It is important you continue to make these contributions throughout the term of the mortgage and review your pension projections regularly.

We also encourage you to review the mortgage term in the future and reduce it if it becomes affordable for you to do so. We further recommend that you consider making overpayments on the mortgage (within any applicable overpayment allowance or for larger sums outside of any early repayment charge period) to reduce the overall cost of the mortgage, lower your payments in retirement, or bring the term back within your intended retirement age.

Product Transfer

Your current mortgage deal with Bath Building Society on N/A. As there are no penalties for changing this mortgage product beyond this date, it allows us to review your options.

These options included:

- Staying on standard variable rate (SVR) %
- Moving to another deal from the lender's product range - known as a product transfer
- Moving your mortgage to a new lender – known as a remortgage

Having reviewed your circumstances and discussed your needs, I then compared the available products, and I recommend a product transfer because

It was your preference to go through a simpler application process and not have to complete steps such as a lender remortgage questionnaire and the legal work involved in transferring the mortgage to a new lender.

High Loan to Value

The loan-to-value ratio on your mortgage is high. This puts you at greater risk of negative equity if property values fall. Negative equity is when you owe more on the property than it is worth, which can affect your ability to change your mortgage deal. Using a higher deposit can reduce this risk and may give you access to more cost-effective interest rates, which could save you money. High loan-to-value mortgages are also associated with a higher risk of repossession, please consider these risks carefully.
