£300 cashback. Free Level 1 valuation fee.

**Risks:**

**All our products are SUBJECT TO AVAILABILITY and can be withdrawn at any time. A product is only available for further borrowing if it states this in the incentives.**

Your client's home may be repossessed if they do not keep up repayments on their loan. Whilst a fixed rate mortgage can give your client certainty around monthly payments, the Bank of England base rate may go down as well as up. The value of your client's home may alter with market conditions so that the amount of the loan may exceed the value of the home.
